

Course A Leader's

Beginning Level Course "A"

Start at the west side of handicraft at the control marker with HC on it.

All bearings will lead to a physical location (control marker, road sign, large rock, ...).
Record object found under "Object Found" heading.

Bearing (Magnetic North)	Distance (feet)	Paces #1	Paces #2	Object Found
269	528'			control marker E1
260	97'			control marker FH
56	43'			Tenderfoot Rock
284	1110'			Tree
114	354'			control marker HL
250	338'			control marker G8
44	1448'			control marker LM
187	315'			Flag Pole
69	126'			control marker CS
164	300'			Rock
197	409'			control marker FH
321	630'			Totem Pole

Note, 1) Some of the objects have a lot of metal in them, this will effect the compass reading. 2) The Paces columns are provided as an aid to allow the boys to figure out their pace count for each leg.

Course C Leader's

Beginning-Intermediate Level Course "C"

Start at the west side of handicraft at the control marker with HC on it.

All bearings will lead to a physical location (control marker, road sign, large rock, ...).

Record object found under "Object Found" heading.

Bearing (Magnetic North)	Distance (feet)	Paces #1	Paces #2	Object Found
269	528'			control marker E1
260	97'			control marker FH
17	409'			Rock
344	300'			control marker CS
240	126'			Flag Pole
7	315'			control marker LM
224	1448'			control marker G8
70	338'			control marker HL
294	354'			Tree
104	1110'			Tenderfoot Rock
236	43'			control marker FH
321	630'			Totem Pole

Note, 1) Some of the objects have a lot of metal in them, this will effect the compass reading. 2) The Paces columns are provided as an aid to allow the boys to figure out their pace count for each leg.

Course D Leader's

Intermediate Level Course "D"

Start at the west side of handicraft at the control marker with HC on it.

All bearings will lead to a physical location (control marker, road sign, large rock, ...).

Record object found under "Object Found" heading.

Bearing (Magnetic North)	Distance	Paces #1	Paces #2	Object Found
269	528'			control marker E1
260	97'			control marker FH
17	409'			Rock
344	300'			control marker CS
240	126'			Flag Pole
7	96m			control marker LM
224	1448'			control marker G8
70	338'			control marker HL
294	354'			Tree
104	0.21 miles			Tenderfoot Rock
236	43'			control marker FH
321	192m			Totem Pole

Note, 1) Some of the objects have a lot of metal in them, this will effect the compass reading. 2) The Paces columns are provided as an aid to allow the boys to figure out their pace count for each leg. 3) The Distance units are not all the same.
