Dear Scouts, Scouters and Parents,

On behalf of the 2020 Camp Frontier Staff, we would like to thank you for choosing us for your Troop’s 2020 summer camp experience. As a staff, our mission is to provide your troop with the tools, program, and instruction needed to ensure you have an excellent week with us at Camp Frontier.

Since the conclusion of the 2019 summer camping season, we, along with many other Erie Shores staff and volunteers, have worked to assemble to highest quality summer camp staff in order to provide the same great program that we are known for year after year. All of the Camp Frontier staff will have undergone two weeks of training and preparation for the 2020 camping season. This training includes interactions with scouts and scouters alike, as well as business professionals in order to give them the knowledge necessary to provide adequate merit badge instruction and Scouting program. The Camp Frontier staff will be able to help you at any time before, during, and after your time at camp with any questions or concerns you might have.

During your stay at Camp Frontier, please encourage everyone to participate in all that our camp has to offer. With over 85 merit badges, a multitude of program areas, ATVs, black powder rifles, blacksmithing, telescopes, mountain biking, climbing, and root beer cantinas, your scouts will never run out of fun opportunities while at our camp. These activities will not only provide endless amounts of fun, but will also promote character development, physical and moral training, and the ability to complete a multitude of requirements that are all necessary to rise in the ranks of Scouting.

This leaders’ guide was designed by our Staff in order to provide you with all the information needed in order to help you and your troop’s Senior Patrol Leader plan the best possible summer camp experience. Please do not be afraid to let us know if there is any information that would be of more use than what is already in this guide.

Once again, welcome and thank you for choosing Camp Frontier, Pioneer Scout Reservation! Our entire staff is looking forward to assisting your troop in any way possible. Please do not hesitate to call Camp Frontier at 419-459-4962 with any questions before, during, or even after your stay with us at Camp Frontier.

Yours in Scouting,

Steve Porter

**CAMP FRONTIER STATEMENT OF PURPOSE**

It is the purpose of the Boy Scouts of America and Camp Frontier to provide an effective program designed to accomplish these three basic aims:

- Character development
- Citizenship training
- To develop fitness (physical, mental, emotional, and moral)

Every program activity must include at least one of these three aims; if it does not, the activity does not belong. The Scout program accomplishes these aims by using the following methods of Scouting.

- Scouting ideals
- Patrols
- Advancement
- Adult role model, coaching, and mentoring

- Outdoor program
- Leadership
- Development
- Personal growth

**The Purpose of Our Camp**

To provide resources, fun, and new learning experiences for the Troop that will make it better able to plan and conduct its own year-round program.

**Our Principal Mission as a Camp Staff**

To have a profoundly positive impact that fosters improvement in every Scout through a quality program of adventure. All events, programs, and policies in this Leader’s/Parent’s Guide work hand in hand to develop a safe outdoor laboratory for the youth we serve.

**WE NEED YOUR FEEDBACK!**

In an effort to make this leader’s and Parent’s Guide even better, please help us to review the material in this booklet. Things to look out for include…

- Missing information that wasn't in the guide about our camp program
- Information that was confusing or not explained well
- Other comments or suggested that would be helpful when revising for the future

Please feel free to send all comments and suggestions to CampDirector@psrweb.org and thank you for helping us to make this guide even better in the future!

SPL Weekend
Each spring Camp Frontier hosts a weekend for all SPL’s coming to camp. The weekend is April 3-5, 2020 and is held at Camp. Program sessions include information, games, and teambuilding. This is a free event. Please visit www.psrweb.org/2020SPLweekend to sign-up!!

Provisional Campers
Any Scout who wishes to come to camp without their Troop is considered ‘provisional’. We will provide a host Troop each week of camp for Provisionals to stay with. The Scout will be considered part of their Troop in every regard while at camp. The fee for provisional campers is the plan A fee. If a Scout wishes to return for a second week of camp, they may do so at a $20.00 discount off the regular price. Please fill out the provisional form at www.psrweb.org/provisional to register.

Free SPL Week
All SPLs are invited to come for a free week of camp. It is best for the SPL to come before their Troop, so they can better inform their Troop members on what programs and facilities camp has to offer. The SPL may only receive the second week free if they do not partake in any Merit Badges when they come with their own Troop. This will allow for the SPL to run the Troop, attend all the SPL meetings and help the younger Scouts with their advancement. The free week only covers registration fees and does not cover additional program fees. Please fill out the free SPL week form at www.psrweb.org/SPLweek to register.

Refund Policy
Summer Camp spots are non-refundable when purchased; however, they may be transferred to another Scout who is attending camp. This transfer applies on a one to one basis. Refunds for medical reasons or a family emergency may be requested online at www.psrweb.org/RefundRequest within 2 weeks after your unit’s week at camp. Refunds are issued only for medical and/or family emergencies, less 15%. If the refund is approved, it will be mailed after September 1st. All refund checks will be cut back to the unit. Please share this policy with your parents.

Everyone (Scouts, Leaders, staff, and visitors) who enter or leave camp during the week MUST check in and out of camp at Loftus Lodge. Every Scout and Leader on camp MUST wear the supplied camp wristband when in camp. Replacements can be acquired at the Business office.

Bicycles
Scouts and adults may NOT bring personal bikes to camp. If a Bicycle is needed for mobility assistance, please refer our vehicle policy for more info.

Firewood
Due to the threat of invasive species and insects, units are prohibited from bringing their own firewood to camp. There is adequate downed wood at camp to provide for many campfires. Units will have to cut and split their own firewood. Chainsaws are not permitted. Standing trees are not permitted to be cut down. A charge will be imposed for cutting down standing timber.

Pioneering Poles: Units may bring their own pioneering poles for use IF the bark is removed before being transported to camp. A limited number of pioneering poles are available for checkout in the COSA area and must be returned to the COSA area at the end of the week.

Swim Checks
No one may use the aquatics areas (lake or pool) until they furnish a current health form and pass a swim check conducted by OUR aquatics staff. Due to the inherent dangers of lake swimming, there can be no exceptions to this rule.

Uniforms
Full uniforms are to be tucked in and worn daily for retreat and dinner, as well as for all vespers services and campfires. Troops should also arrive and depart in full uniform. Shorts and Scout t-shirts are recommended during the day. Closed toed shoes must be worn in camp at all times, excluding some aquatics activities. Open-toed shoes are not permitted in camp.

No Pets
No pets are permitted on property at any time. This includes picking up/dropping off Scouts. Please remind your parents to leave their pets at home.

Vehicle Policy
Personal vehicles are not allowed in campsites. Any Scouts or Leaders in need of mobility assistance must have written need documented on their camp physical by a physician and file a Mobility Assistance Device Request Form at least 4 weeks prior to their stay at camp. If approved, Troops may choose to bring their own mobility device or for an additional fee use one provided by camp. Traditional golf carts, electric wheelchairs/scooters, and bicycles are the only vehicles permitted in the campsites. Gators, ATVs, and personal vehicles will not be permitted. Mobility Assistance Device Request Forms can be found on our webpage at www.psrweb.org/MobilityAssistance.

Flames & Fuels
No fires or flames inside tents. No propane or white gas lanterns in tents. All liquid and gas fuels are to be used, filled, and stored under adult supervision. No liquid fuel, other than that in the tanks, may be left in the campsites. The camp provides a facility for proper storage. Please refer to your updated “Guide to Safe Scouting” (#34416, also revised quarterly on the National Council website).

Camp Drones Policy
While drones (also known as sUAS) are sure to become part of the typical BSA program, we request that during summer camp, drones are used at a minimum or not at all. If you still choose to bring a drone, you are required to meet these guidelines and notify the Business office of the owner and possible operators:

- Review and be familiar with the information at http://knowbeforeyoufly.org/ so you can fly responsibly.
- The organization provides these recommendations:
  - Fly no higher than 400 feet and remain below any surrounding obstacles when possible.
  - Keep your sUAS in eyesight at all times and use an observer to assist if needed.
  - Do not intentionally fly over unprotected persons or moving vehicles and remain at least 25 feet away from individuals and vulnerable property.
- Ensure the operating environment is safe and that the operator is competent and proficient in the operation of the sUAS.
- Do not conduct surveillance or photograph persons in areas where there is an expectation of privacy without the individual’s permission. Specifically, near the pool showers.

Any infractions of the above rules may result in loss of flying privileges. Anyone breaking the last point above will be turned over to the local sheriff office.

Prohibited in Camp
The following are absolutely prohibited on camp property: fireworks and explosives of any kind, sheath knives (carried on your person, this does not include kitchen knives), pets, personal firearms or ammunition, alcoholic beverages, illegal drugs, water balloon launchers, and slingshots.
YOUTH PROTECTION

To address the problem of potential child abuse within the program, the BSA has established procedures, however, the following list is not totally inclusive. All Leaders must have Youth Protection training certification within the last 24 months. It is good to use this course as a refresher even if currently trained.

- **Two-Deep Leadership**- Two registered adult leaders 21 years of age or over are required at all Scouting activities. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

- **One-On-One Contact**- This should not occur between a youth member and an adult; all counseling should be done in plain sight and with the knowledge of at least one additional adult.

- **Child Abuse Recognition**- Leaders are encouraged to refer to the BSA website for information on protecting Scouts by being aware of common signs of child abuse. [http://www.Scouting.org/HealthandSafety/GSS/gss01.aspx](http://www.Scouting.org/HealthandSafety/GSS/gss01.aspx)

- **Reporting at Camp**- anyone noticing anything that is questionable, should report it immediately to the Camp Director.

- **Hazing**- Initiation or hazing in any form is not permitted.

- **Showers**- At the pool, we have separate shower facilities for youth (under 18) and adults (over 18); if an adult must enter the youth shower due to an emergency, do so with another adult. The three other shower houses in camp have private stalls for all to use.

- **Tenting**- Separate tenting arrangements must be provided for male and female adults as well as for male and female youth. Youth sharing tents must be no more than two years apart in age. In a Scouts BSA unit youth and adults tent separately (including parent/child relationships). Spouses may share tents.

- **Digital Imaging**- Taking pictures and videos is **NOT** allowed in shower houses, pool showers, restrooms, etc. Any equipment being used in this manner will be confiscated.

**Discipline**

The discipline of Scouts lies with the Scoutmaster or adult Leader in charge at camp. The staff will work with the Leaders in resolving any problems that might arise. Chronic problems should be reported to the Camp Director. Under no circumstances will a Scout be deprived of food, isolated, or subjected to corporal punishment, or physical exercise as a means of discipline. Troop Leaders are accountable for the actions of their Scouts at all times. A Troop must have at least two adult Leaders 21 years of age or older during their entire stay at camp. Special arrangements can be made for two Troops to share Leadership. Issues during instructional sessions will be reported to the Scoutmaster for discipline.
Health Lodge/Medical Treatment
Medical personnel are provided by the camp to administer to the health needs of campers.

Typical amounts brought by Scouts vary from $20 - $150; however, a Scout can have a very enjoyable week without any extra spending money. The Trading Post is well stocked and provides a variety of equipment, literature, souvenir items, and snacks. We have several special Camp Frontier t-shirts for sale. Also, the Root Beer Cantina is offered twice a week with snacks and root beer floats available. (See Page 13) It is important to remember that each Scout is responsible for their own money.

Camp Frontier has four shower houses at camp. There are 3 shower buildings with private showers and changing areas as well as the pool shower house that has shower facilities for both adults and youth. Help us keep our restroom and showers facilities clean for the next person. A Scout is Clean. Your Troop is encouraged to volunteer to clean the showers; a cleaning checklist sheet is in one of the restrooms to guide you through the process. Signup for this service project at the Quartermaster.
Camp Staff Opportunities
For those individuals that are 15 years of age and older, we are always looking for camp staff. If you know an exceptional person who loves camp, please encourage them to apply. Camp staff can be a rewarding and memorable experience for many. If you have anyone that is considering camp staff, please let our Program Director know so they may have a conversation with them before they leave camp. ALL camp staff must have a complete BSA uniform. Applications can be acquired at check out from the Program Director, at the Jadel Leadership Center, or apply online at www.psrweb.org/CSO.

Counselor in Training (CIT) Program
Many of our current staff members have been trained through our CIT Program. Participation is an excellent learning opportunity. The CIT Program is open to Scouts/Venturers who are 14 years of age or older. The same staff applications may be used. Upon selection, they will be scheduled for their first week. While at camp, they will spend time in each of the program areas to get an overall view of the camp’s operations. Over the course of their week, their performance will be evaluated, and they may be invited back for a second week. There is no fee involved in this program, and they may work on one Merit Badge for the week while a CIT with permission of the Program Director. Scouts may not be a CIT the week their Troop is at camp. CIT’s are encouraged to attend staff week, June 10-19, 2020.

Have a Comment About Staff?
We as a council have recruited the most qualified staff possible. Each staff member brings a variety of experiences and skills which will benefit the Scouts attending Camp Frontier. We have strived to properly train our staff to prepare and deliver a quality program; however, you may find times that your experience and skills would be of benefit to a particular program area. Please feel free to contact the Program Director about helping out. Should you have any questions or concerns about staff behavior, please contact one of the Camp Leadership Team. If you have a positive comment, please share them with our Staff by completing a Staff Praise Card. We offer Staff Praise Cards in Frontier HQ and they are also available from the Camp Commissioner. Feel free to also personally inform specific staff members of any positive praise in order for our staff to continue providing the excellent service and quality we strive to offer.

Adult Leader Guest Commissioners
Want to come to camp for a week without your Scouts? Consider joining our camp staff for a week as a guest commissioner. You will have the opportunity to work with three or four Troops at camp and assist in program delivery. If interested, please email the Camp Director at CampDirector@psrweb.org

Ranger Staff
The Ranger and their staff will do everything and anything possible to make your stay at camp more valuable and meaningful to you and your Scouts. While most of their work is in the background supporting the camp staff, the Ranger staff is here for you as well. Please feel free to contact the Ranger or one of their staff through the Business Office for issues involving facilities, tents, dining flies, cots, stoves, issues with latrines, etc. The Ranger and staff also would very much like to solicit your eyes and ears about facilities in camp. If you see anything in camp that appears to be broken or needing attention please bring it to the attention of the Commissioner, Program Director, Camp Director, or Assistant Camp Director. In cases of safety issues, please contact any staff member and report the situation who will quickly relay this to the ranger for resolution. We ask that you help us be pro-active as we know that items around camp can break or wear out.

Staff Safety
If you observe inappropriate behavior or unsafe acts by anyone on staff please report this to the Camp Director, immediately so that the person can be coached and/or counseled. It may be that what they were doing was appropriate with the information they knew at the time. Of course, we also want to pass on any positive comments back to an individual who has gone out of their way to help you.

Good Turn Scholarship Program
Did you know...the staff selling soda and popcorn at Opening and Closing Campfires aren’t just the trading post staff working overtime! The leadership of Camp Frontier has identified a need to recruit and retain the amazing staff that serves our Scouts every summer. The Good Turn Scholarship Program is one method of doing just that. The proceeds from soda and popcorn sales go into a separate fund that will pay out over $5000.00 in scholarships to our Frontier staff seeking higher education.

This exciting program has been a great success since its creation. It gives Scouts a chance to “loosen their boots” from Merit Badge sessions and enjoy a totally different aspect of camp. The Root Beer Cantina is a great place for Scouts to extend relationships with Scouts in their Troop and to meet Scouts from different Troops as well.

The Root Beer Cantina Program that was started by Will Hufstader and Lucas Dixon and is now run by the Camp Frontier Staff. The Cantina proceeds have provided Camp Frontier with new and exciting programs for Scouts and Leaders alike. The funds have purchased our Fire Truck for Waterball; our “blob” and “wibbit”, Stand Up Paddleboards and Bellyaks, which are the prize of the lakefront; it has also provided funds for High COPE, and the camp Suburbans to offer more outposts. The Cantina put in the Foosball court, gaga pit, and the Frank Merritt Parkway. The most recent purchases have been the pedal cars and the kick darts for COSA. Starting this year, Handicrafts will receive a new building and the Root Beer Cantina will be helping out with that major undertaking.

A Root Beer Float with a mug you may take home with you sells for $4.50. Refills are $3.00; snacks, candy, and soda are also available. Troops are able to purchase presale tickets at the Trading Post and at the Business Office. Cash sales are also available at the event.
Parent’s Night

All parents and other family members are invited to visit Camp Frontier on Wednesday evening. If your Troop has a feeder Pack you may want to invite the Arrow of Light Scouts and their parents so they can get a taste of what camp has to offer. A Parents information page is provided in Appendix G.

Scoutmasters need to tell the Business Office how many visitors they will have by the Monday morning Leaders meeting if their guests would like to eat camp supplied food. Please also let the Business Office know if your troop plans to eat their own food in the site and not eating camp provided food.

Families will be greeted upon arrival at Loftus Lodge and will be given necessary directions.

Guest meals will be $6.25 per person and $4.25 for children from 4-10 years old. Troop will be asked to pre-pay for these meals. We will not take money at the gate.

Order of the Arrow

The Order of the Arrow is an important part of camp and camping. All OA members are encouraged to wear their sashes Wednesday evening beginning with flags. Out of Council Troops may have their youth called-out at this ceremony by obtaining a letter from their Scout Executive authorizing this call-out. All elections must be held prior to camp. Trail guards are always needed. If your Scouts are interested have them contact the Camp Chief. The Camp Chief will be introduced during the first Flag Ceremony. Upon arrival at camp, verification of those signed up will need to be given to the Business Manager at the Pre-Camp Leaders Meeting.

No Pets Policy

For everyone’s safety and complete comfort, please do not bring family pets.

COME BACK AND VISIT US

Tent Camping:

After attending Camp Frontier, your unit is welcome to come back for a weekend of tent camping free of charge to be used before June 1st of the following year. This weekend will not apply to any District or Council camping event. Also, consider cabin camping in our luxurious cabins (this is not included as part of the free tent camping).

Cabins:

Cabins are available at PSR at all times other than summer camp. The cabins are located behind the Dining Hall on Lake Teagarden. Please check out pictures of the cabins and pricing at www.PSRweb.org. Cabins #2-#4 are set up with 2 bedrooms, a living room with kitchen, hot and cold running water with bathroom and shower. Cabins #2-#4 sleep 12 people each. Cabin #1 is set up with 4 bedrooms, a living room with kitchen, hot and cold running water with 2 full bathrooms. Cabin 1 sleeps 18 people. Also available for rent is Loftus Lodge, featuring 3 bedrooms with beds for 6, extra 15 mattresses, bathrooms and shower, complete kitchen, fireplace, and gas heat. To make reservations, email CampDirector@PSRweb.org.
CAMP FRONTIER
SUMMER PROGRAM

2020
Variety of Activities
Since each Troop’s program will be different, the needs and interests are different. There are four general patterns within the Troop’s program while at camp.

- Activities in which all members of the Troop take part.
- Activities that are best carried out by Patrol
- Informal activities that are most suited for a few Scouts to do together.
- Special interests a Scout may find on their own.

Balanced Program
There should be several major areas of your Troop’s program.
- First is the individual advancement of the Scouts. A list of the advancement opportunities available at camp is provided in this guide.
- Second, there are many non-Merit Badge program opportunities offered by the camp.
- Third, if your Troop would like to undertake some activity not listed on these pages see the Program Director at camp or email at ProgramDirector@PSRweb.org.

The balanced program—the total living experience in camp—must revolve around the Scout and their personal interests with their friends in their Patrol, Troop, and camp community. It must contain advancement and other activities. The daily and weekly schedule in camp is not program; it is an instrument for planning and administering the program. It is important that each Troop establish its own identity and gain experience in the building and administration of its own program.

Examples of inter-Troop activities are:
- Waterball
- Volleyball
- Inter Troop Campfire
- Service Projects (schedule at Ecology)
- Gaga Ball
- Human Foosball

Over Scheduling
In planning your Troop’s program, beware of OVER SCHEDULING. Remember that the camp program must be varied to meet the wide range of requirements of the different Troops coming to camp. Any attempt to participate in all, or even most, of the program features offered will almost inevitably result in various degrees of frustration and disappointment. Have your Scouts review the Merit Badges pamphlets they want to do as they prepare for camp. Improper pre-camp preparation can result in unneeded frustration and disappointment.

Troop Activities
Troop activities take place Monday through Thursday evenings after flags. SPLs can sign up at the bulletin boards located outside of Frontier HQ. Sign-ups begin the moment you arrive at camp and are first come, first serve so check the Frontier HQ sign up boards. Alternative choices should be decided in advance. Troop Activities are an exciting opportunity to have fun with your Troop and are also a requirement for the Baden Powell Award (Appendix B). Troop activities are not mandatory; however, we highly recommend that you take advantage of this opportunity to have fun and to build Troop spirit.
Senior Patrol Leaders

Daily SPL Meetings
Monday through Friday at 1:30 pm at Frontier HQ

Checklist before Camp

1. Plan the program with your Scoutmaster by referring to this Leaders Guide.
2. Make sure each patrol has its own flag and yell, and your Troop has its own yell.
3. Coordinate Patrol Leaders and the daily schedule through your Patrol Leaders Council. Plan a daily meeting while at camp to evaluate the day’s progress and review the next day’s schedule.
4. With the Troop Quartermaster, check on Troop equipment needed and make tent assignments by patrols where possible.
5. Instruct patrol Leaders to strive for advancement objectives for each Scout in their Patrol and to have a “full” Patrol for camp.

Checklist at Camp

1. On arrival, post on campsite bulletin board:
   a. Advancement progress chart
   b. Troop’s program for the week
   c. Patrol activity sheet
   d. Fireguard plan (camp provides form at check-in)
   e. Clean-Up Assignments/Duty Roster
2. Meet with the Scoutmaster to review the program. Sign up for Troop activities at Frontier HQ upon arrival on Sunday.
3. Represent your Troop at the Senior Patrol Leaders Meetings. (8:00 pm on Sunday at the Dining Hall; 1:30 pm Monday through Friday at Frontier HQ.)
4. Make sure your campsite is prepared for daily inspections. The inspections will be done Tuesday through Friday during open program time by volunteer Commissioners.
5. Preside at your Troop Meetings to share information from your SPL meetings. Promote activities for individuals and groups to do.
6. Lead within your Troop at Closing Campfire, camp-wide Games, inter-Troop campfire, Troop campfire, and scheduling of Troop activities.
7. Conduct color guard ceremonies in your campsite.
8. Conduct a daily meeting of the Patrol Leaders Council to review the program for the next day:
   a. Review responsibility for each activity.
   b. Have Patrol Leader report on the advancement of each Scout in their patrol.
   c. Discuss results of campsite inspection with Patrol Leaders.
   d. Make the program work by following up on patrol Leader assignments.
9. When you lower your unit’s colors in your site, it is a good time to recognize and celebrate those Scouts who have completed advancement by holding a “roll call” and posting such advancement on the campsite chart.

Free SPL Week

Camp Frontier offers all SPLs a free week of camp to take Merit Badges. Please use https://www.psrweb.org/SPLweek to register. Only available for SPL’s that do not take Merit Badges during their Troop’s week at camp.

SPL Weekend

Each spring Camp Frontier hosts a weekend for all SPL’s coming to camp. The weekend is April 3-5, 2020, and is held at Camp. Program sessions include information, games, and teambuilding. More information will be sent to your Troop closer to the date.

INTRODUCTION TO MERIT BADGES AT CAMP

(To be shared with each Scout taking a Merit Badge at camp)

1. Obtain and read the Merit Badge books prior to coming to camp.
2. Your staff counselor will help you learn and do the things that are required.
3. Some requirements must be completed prior to coming to camp.
4. When the counselor is satisfied that you have met each requirement, he/she will update your record on the merit badge system and a report will be shared with your unit leader when you check out from camp.
5. Partial completions will also be noted on the report.
6. You are expected to meet the requirements as they are stated—no more and no less. If it says ‘show’ or ‘demonstrate’, that is what you must do. Just talking about it isn't enough.
7. A SCOUT IS COURTEOUS, PLEASE REMEMBER TO TURN OFF CELL PHONES DURING MERIT BADGE AND CLASSROOM INSTRUCTION.

Introduction to Prerequisites:
Prerequisites are requirements that cannot be completed at camp due to time constraints, location restraints, or other circumstances. Scouts who do not complete the prerequisites before coming to camp will not complete the Merit Badge at camp. Scouts should read Merit Badge books prior to coming to camp.

There are three types of prerequisite categories:

Activity Participation
This is a requirement that asks the Scout to attend an event, activity, or visit a location. Examples would be participating on a sports team, visit your state capital, or take a year of a foreign language. Either a Scoutmaster or parent can verify these with a signed note and proof of the completed requirement.

Activity Participation with Action
This is a requirement that asks the Scout to do something then have the counselor evaluate it. Examples would be “conduct a home safety audit” or “conduct a home fire drill” or “collect 10 insects and properly identify them” For proving these type of requirements, a note will not do. The Scout should bring with them whatever they needed to do, whether it is a rock collection, a copy of a letter to your congressperson or a budget for three months. Sometimes items are not easily brought, i.e. fish; in that circumstance, a picture of you with the fish is satisfactory with a note from the parent or Scoutmaster.

Paperwork
This is a requirement that asks you to either write or draw something. Examples would be reports for Environmental Science, drawing a home escape plan, or write a 500-word report on a book about mammals. This paper needs to be brought to camp for the Scout to show to the counselor.

Merit Badge Fees
Some Merit Badges that require extra materials will have additional fees. Fees will be charged on a unit level and detailed in their invoice.

A Note on Plagiarism
There are a number of merit badges where the Scouts are required to prepare reports on various topics. Except where the requirements indicate that the paper is to be based on the Scout's own observation and empirical research conducted by the Scout, we anticipate that the Scouts will use published and online resources in the preparation of the reports. The reports which the Scouts prepare frequently are going to approximate the structure and content of the published material. That is permissible. The report is to be in the Scout's own words, thus it is impermissible to simply directly copy material from one or several sources and present that as the report.

**Last Revised 3/20/20**
ADULT LEADERS NEEDED FOR OUTPOST

While all of our staff members at Camp Frontier are trained to the highest level in terms of program skills and safety, it is simply not possible for just a few staff members to watch over a multitude of Scouts in some of the offsite and backwoods activities such as outposts. This is where we ask that adult Leaders attending camp with their Scouts to offer their own personal skills and services. Keep in mind that we need both male and female leaders in attendance for any outpost that has both Scouts BSA girls and boys attending.

Things that you should expect when signing up for an Outpost at Camp Frontier include...

- A helpful and skilled staff to lead the group and watch out for the safety of others.
- A well-developed program that compliments the Merit Badge or activity.
- The opportunity to learn new skills or challenge the group.
- An enjoyable program that is fun and educational for both youth and adults.

Things that the Camp Frontier Staff would expect from Leaders signing up for Outpost include...

- Leaders who can lend a hand in watching over the Scouts during outpost activities.
- Leaders who can help transport Scouts to offsite outposts.
- Leaders who can lend their own related skills or ability and increase the value of the program.
- Leaders who can help our staff create a positive, fun, and educational experience that Scouts will remember long after summer camp.
- Leaders with an awesome positive attitude.

In meeting these expectations both the Camp Frontier staff and our adult volunteers attending camp can offer a valuable program that is not only educational but fun. We know that an exceptional summer camp program is built with the help of many dedicated volunteers. We would like to thank all the Leaders that take on the extra responsibly of being an outpost volunteer and helping our camp to deliver an extraordinary program year after year.

Aquatics Notes

Swim Checks... are performed all afternoon on Sunday from 12:30 pm until they are complete. If your unit needs to arrive on Monday morning, and you can be at camp by 6:00 am, we can complete those swim checks then. Due to weather emergencies on Sunday, swim checks may be postponed to Monday also. We will make every attempt to complete swim checks before the first Merit Badge class session. Swim checks from other camps or aquatic facilities are not valid at PSR. All those wishing to swim while at camp MUST take a swim check at PSR. Individuals not wishing to take part in aquatics activities throughout the week do not need to take the swim checks. If a Scout is uneasy in water, please speak with our lifeguards and they can arrange to work with Scouts during the week to acclimate them to the water and help increase their swimming ability. For a complete explanation of the BSA Swimmers Test and some great recommendations for taking the test please see Appendix J.

Adult Volunteers... Leaders who can lend a helping hand during Open Swim and Open Boating at the Lake are always welcome. Please volunteer to help with life jackets and boats any afternoon from 3:00 to 5:00. We will make sure you get wet!

Bathing Suit Policy...
Males must wear swim trunks or board short style swimwear. “Speedos” and other brief styled swimwear are not allowed.

Snorkeling... is available at the lake. You receive a card upon successful completion, and a patch is available for purchase in the Trading Post by presenting your card.

Paddle Craft Safety/Swimming and Water Rescue... are two BSA training programs that have been developed by the BSA National Aquatics Task Force. These two programs fall under the Aquatics Supervision Course developed by the national Scout Office. A simple introduction to rules and procedures should allow a conscientious Leader to assess his/her readiness to conduct a unit aquatics activity. However, there are various skills that cannot be learned in a lecture or online. To fill the gap, these two courses will provide the unit Leader with basic skills. Paddle Craft Safety/Swimming and Water Rescue provide in-depth training in Safe Swim Defense and Safety Afloat principles along with basic swimming, boating, & rescue skills. Situations requiring more advanced skills are reviewed with sources for such trainings. These two courses are highly recommended for unit Leaders whenever a unit swims at a location without professional lifeguards or undertakes a boating expedition without a trained lifeguard. BSA strongly recommends that all units have at least one adult or older youth member currently trained in Swimming and Water Rescue and/or Paddle Craft Safety to assist in the planning and conduct of swimming and/or activities afloat. BSA Lifeguard training will now only be used to train BSA Aquatic Staff members for summer camp. Participants will need to be at each of the training days Tuesday-Friday.

Aquatics Awards

Polar Bear Swim Award... Those individuals who successfully complete their week of Polar Bear Swims will be able to purchase a patch at the Trading Post after completion. Held Monday — Thursday at the pool (6:00 am — 6:50 am)

Conditions on the frontier required certain qualities from these bold individuals: strength, enthusiasm, an adventurous and restless spirit, and a curiosity for the unknown. Scouts who visit this area will travel back in time and will be spending their time living and working in the 1700's. BSA Swimmer’s Test

Camp Frontier’s Guide to
The BSA Swimmer’s Test

Reasons to Take the Test

The Swimmer’s Test is optional.
You do NOT have to take the test.

So, why take the test?
At Camp Frontier we have
awesome aquatic merit badges like
swimming, canoeing, kayaking,
lifesaving, sailing, and plenty more!
You must pass the BSA Swimmer’s
Test before taking any aquatics
merit badge.

You will complete a First Class rank
advancement upon passing the
Swimmer’s Test.

When you pass the test you’ll be
able to swim in deep water at the
pool and lakefront, use the diving
board, launch from the BLOB, and
use the many other aquatic toys at
our Amazing Lakefront!

Feeling Nervous?
When you arrive at Camp Frontier one of
the first things you get to do is swim in our
refreshing pool. Every week our lifeguards
help hundreds of Scouts successfully take the
BSA Swimmers Test. Scouts with varying
levels of experience, and from many different
backgrounds, pass this test every week.

We understand that taking the Swimmer’s
Test can make someone nervous. Here at
Camp Frontier we have two goals for you
when you take the Swimmer’s Test: 1.) we
want you to be safe and comfortable; and, 2.)
of course we want you to pass! We want to
see YOU having FUN in aquatics.

If you’re feeling a little nervous, we
understand. To help you overcome those
“Swimmer’s Test Jitters” we have tips for you
on the following page.

“Always remember to take your time!”
-Lyndsey McCann, 2013 Waterfront Director
Working your way up to the Swimmer’s Test!

These are the BSA National definitions of each test. When a Scout takes the Swimmer’s Test he must jump feet-first into water over the head in depth, level off and swim 75 yards in a strong manner using one or more of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting backstroke. The 100 yards must be completed in one swim without stops and must include at least one sharp turn. After completing the swim, rest by floating. If that seems scary to you, you can always try the Beginner’s Test where you jump feet-first into water over the head in depth, level off, and swim 25 feet on the surface. Then stop, turn sharply, resume swimming and return to the starting place. If you want to start in shallow water you can take the Learner’s Test where you get in at the shallow end (only 3 feet!) and walk from one and to the other and back again! It’s okay to start with the test you feel comfortable taking and work your way up to the Swimmer’s test.

Need some Help?

“What if I don’t pass the first time I take the test?”

If you don’t pass the Swimmer’s test the first time around that’s completely okay! Camp Frontier conducts swimming lessons at our pool every day at 3:00 PM. When you feel ready to take the test again you can take it from 3:00-5:00 any day at the pool or during Polar Bear swims in the morning. Our lifeguards are here to help you through the entire process. Keep trying: you will pass your Swimmer’s Test!

10 Training Tips from Your Lifeguards

Find time to swim in a pool before camp starts. Follow these tips:

1. Jump in water over your head. This is the first step of the test. Practicing this step will make you much more comfortable when you take the test.

2. Work on stamina. Try swimming a little longer each time you practice.

3. Go slow, it’s not a race

4. Swim with others in the pool. Get used to swimming with others in the pool near you.

5. Learn each stroke. Forward strokes are breaststroke, sidestroke, and freestyle. You must also do the elementary backstroke.

6. Practice changing strokes while you swim. This will help you overcome fatigue as you swim.

7. Don’t doggie paddle, your forward strokes must be recognizable as one of the three acceptable forward strokes!

8. Flip turns are cool, but not for this test!

9. Goggles are permitted, but you must bring your own.

10. Take a deep breath before you go in, and be ready for the refreshing water of Camp Frontier.
CHECKOUT PROCEDURES

PLEASE MAKE SURE THAT THE FOLLOWING ITEMS ARE COMPLETED BEFORE YOU LEAVE CAMP.

___ 1. Site Guide will meet your Troop in campsite promptly at 7:30 am.
___ 2. Scoutmaster should review the materials of the checkout packet delivered Saturday morning.
___ 3. Thoroughly clean the latrine, including removal of debris from drains. Clean all camp issued patrol boxes, stoves, tanks, and other camp equipment.
___ 4. Remove all articles from the bulletin board at the latrine. Leave push pins on the bulletin board. Leave a note to the Troop the following week about how your week went, or that your Troop left the site clean for them.
___ 5. Remove garbage from recycling.
___ 6. Do not take down tents unless you have been told to do so by the Ranger Staff.
___ 7. Check in and around each tent again for garbage. Also check your campsite perimeter and in the wooded areas around your campsite as trash ends up in the woods from Scouts or animals.
___ 8. Move all pioneering poles and firewood to the edge of the site, out of the way of mowing equipment. Return borrowed pioneering poles to COSA.
___ 9. Remove all garbage from the fire rings, scatter coals and charred logs (must be cold-out) outside of the campsite.
___ 10. Cluck like a chicken.
___ 11. Return any borrowed items such as fishing poles to the Trading Post. Upon turning in all borrowed equipment, the staff will sign the check-out card and any missing equipment will be noted on the back.
___ 12. Prepare trailers for a quick and efficient removal; make sure they are not overloaded. No equipment may be placed in the Ranger trucks.
___ 13. Locate the Ranger Campsite Inventory form with your checkout packet. Place necessary items by the road for efficient removal. Take down canvas only by permission of a Ranger. Organize supply tents correctly as directed by the Site Guide.
___ 14. Leave garbage and milk crates by the campsite post.
___ 15. Police the entire site including trails leading into the site.
___ 16. Site guide will sign the check-out card after everything has been completed properly.
___ 17. Site Guide will locate a commissioner to perform the final site inspection.
___ 18. Turn in any Troop First Aid Logs at Checkout before leaving
